

## ChinaVR & ICVRV Conference registration process

### A. Registration

Please register your personal information online (website: <http://icrv.org/register.html>) and your information will be used for nameplate printing. After finishing registration, please save the registration code, since the code will be used in the conference sign-in and payment of registration fee.

Due to the use of the registration code, all participants (whether or not pay the registration fee) are required to register their personal information online.

**Registration:** <http://icrv.org/registration.html>

### B. Registration Categories and Fees

Please select the registration category according to your own situation. Early bird rate is before 2018.10.01. Each Conference paper requires at least one author to register.

### C. Registration Policy

1. "ChinaVR Author registration fee ( Including participation fee ) "、"ICVRV Author registration fee ( Including participation fee、 Paper publication fee ) " is required to be transferred to China Society of Image and Graphics, and will offer the invoice of “ conference registration fee”, please add “ChinaVR+ registration

number” when transfer the fee. There are 3 ways of transfer: bank transfer, Alipay, Wechat, please refer to the transfer method 1-3 of the Table1. We can also offer electronic invoice if on-site registration.

2. Other participation fee is required to be transferred to Qingdao Xietong Innovation Virtual Reality Center. Please refer to the transfer method 4 of the Table 1. Please add “ ChinaVR+ registration number” when transfer the fee.

3. Please save the electronic record of the transfer, and send an email to chinavr\_reg@163.com with the title of “ChinaVR2018 Registration Fee Registration Number Name”, attaching the scan or photo of the transfer record, and provide the following information: registration number, affiliation, paper number (if there is a paper). If you need the invoice, please send the company name, taxpayer identification number, account number, account opening bank, address, telephone number, email address as well.

4. Early Bird Rate deadline: October 01, 2018. Regular registration date: October 2, 2018 - October 20, 2018. On-site registration date: October 22, 2018 - October 24, 2018.

5. Each accepted paper requires an author to complete the author registration; if one author has multiple papers, please register separately (author registration). Otherwise, the paper recommendation will not be finished. The registration time is based on the time of the transfer receipt.

6.If more than one author participate, except one is required author registration, the other authors register as the general registration category, and students register as student registration category.

7.Non-paper authors register as the general registration category. CCF, CSF and CSIG members can register as the member registration category.
